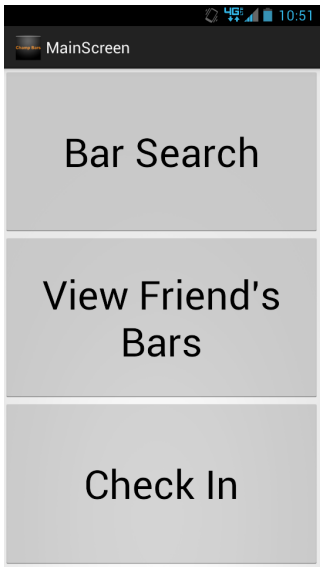
Manual Test Plan

1. Download the app on your phone
2. Open the app.
3. If your phone has the facebook app and you are logged in, Champ Bars will prompt you for the permission to
   access your public profile.
4. If you accept, the screen will go white for a couple seconds while it syncs with facebook
5. If you do not have facebook, there will be a facebook login screen (login to proceed)
6. After logging in, the main screen will come up and should look like the image below:



7. As of now, only Bar Search has functionality - click on Bar Search
8. A new screen should pop up looking like the image below:

9. Try double tapping the screen to zoom in. Then, try clicking on one of the bar icons. It should center that bar and read off the bar's name. The example of clicking on the Red Lion icon is below:
